

PEAVEY

PC-1600

▼ To download the Organ Control Patch

1. Disconnect power from both units.
2. Connect the MIDI Out on the Spectrum Organ to the MIDI In on the PC 1600 and reapply the power to both units.
3. Select a patch number (0-49) on the Spectrum Organ to transmit to the PC 1600.
4. Press and hold the **Xpose** and **Fine** buttons, then press the **Rotary** button.
5. Reconnect the MIDI cables to their original locations.
