

IGNITE THE NIGHT WITH A LESLIE® 825.

A full circle of spectacular sound that brings your audience to its feet... 360 degrees of red-hot music with the Leslie 825. Play it fast for a unique, explosive Tremolo. Play it slow for a cool, undulating Chorale. A 12-inch extended range speaker and an honest 70 watts RMS power. Go ahead, add fire to your music with a Leslie 825.

Get hot with Leslie speakers!

For a full-color catalog of the complete Leslie combo line, including all key specifications, scale photos and function diagrams, just write: Leslie Speakers Combo Catalog, 56 West Del Mar Boulevard, Pasadena, California 91105.
